### *Welsh Language Within the Sporting Sector (Half Day)*

We have agreed to run two free workshops with the Welsh Language Commissioner on the role of the Welsh language within the sporting sector.

What is the role of the Welsh language within the sporting sector? How is it relevant to you, your organisation and your service users? How can you plan to ensure you meet the needs of your members, volunteers and competitors?

This half day training session will look at the advantages of the Welsh language, historical and current language context, research into the sporting sector, the support available from the Welsh Language Commissioner, and practical planning to develop your Welsh language provision.
